### **PE100+ Association annual member meeting elects new Board**

At the annual PE100+ Association member meeting on April 1st, 2010 in Brussels, pipe business management of the eight member companies praised the achievements of the association in year 2009 and the worldwide reputation that it has reached.

The development of activities in Asia received support from the members. The Association has set up an Asia Working Group with a dedicated communication and promotion plan and created the position of Vice-President Asia.

Praise was done to the availability of the Association web site in Chinese and its extension in Thai language.

The member companies also appreciated how the focus on issues of general interest to the industry is reflected in the strong and growing link between PE100+, TEPPFA and the industry expert of the advisory Board.

The Association Board composition is now as follows:

- President and Chairman: Ulrich Schulte, LyondellBasell
- Vice President Asia: Robin Bresser, Borouge
- Vice President Europe: Pierre Belloir, Total Petrochemicals
- Secretary: Adrian Popa, Ineos
- Treasurer: Christophe Salles, Borealis
- Member: Hideo Ito, Prime Polymer
- Member: Pornchai Sangrungsri, Thai Polyethylene
- Member : Philippe Rasquin, SABIC Europe

Furthermore, Antonio Belforte from Ineos will continue as Marketing Manager of the PE100+ Association.
