

The PE 100+ Association Newsletter, May 2010 – Web site enhancement

PE100+ Web site available in Thai Language

Due to the growing interest in the Thai market for the PE100+ activity and its technical messages, large part of the PE100+ web site is now available in Thai language, and especially the PE Pipe Model which guides designers and installers to the best usage of Polyethylene and PE100 pipes.

Please navigate to <http://www.pe100plus.com/index.php/th/content/index/id/1>

This note can be downloaded in English (<http://www.pe100plus.com/uploads/library/Thai%20website%20May%202010%20EN.pdf>) and in Thai Language (<http://www.pe100plus.com/uploads/library/Thai%20website%20May%202010%20TH.pdf>).

Compliance with anti-trust legislation

The PE100+ Association follows strict ethic in the conduit of internal and external activities, and complies with anti-trust legislation as defined by EU laws.

Extensive information on the anti-trust compliance through a specific section has been added on the web site to provide further details on the subject. Please navigate to <http://www.pe100plus.com/index.php/en/content/index/id/103>

A complete document can be down-loaded from our web site, please click below: <http://www.pe100plus.com/uploads/library/PE100+%20-%20Competition%20Law%20Compliance%20Policy%20Guidelines.pdf>
